## Beyond the Limits of Standard Computation

ORLANDO  
FLORIDA USA  
JULY 8-12, 2016

### ➤ Discover

With more than 200 talks by renowned researchers and over 600 posters on computational biology and bioinformatics, ISMB 2016 is scientifically a top meeting of 2016!

### ➤ Innovate

ISMB 2016, a thematically organized conference, is your premier source for the latest research information. Featuring pre-conference Special Interest Meetings, Applied Knowledge Exchange Sessions, workshops, and more, delegates leave with a renewed spirit for innovation.

### ➤ Engage

Whether scanning the jobs board for a career opportunity, interacting with one of our exhibitors and sponsors, or discussing research at a poster session, ISMB 2016 provides you a global networking atmosphere with more than 1500 delegates from 50+ countries.
