- It is the responsibility of the clients appointed electrical contractor to terminate power to all stands at the end of each day (time to be agreed with the client and Event Manager). Failure to do so will result in charges for a 24 hour supply being applied.
- Prices are for standard supply and do not include VAT. There will be an additional 10% charge for 24 hour supply. Please ensure 24 hour supply is indicated on the order.
- Orders for main supply should be placed with Support Services no later than 14 days prior to tenancy.
- Any orders received less than 14 working days, will be charged from the Late Order Price List.

- All orders must be paid for prior to the tenancy and any order received less than 14 days prior to tenancy must be paid for with a credit card or bank transfer.
- All order forms must be accompanied with a scaled plan of the venue, showing the location of the mains required. (If event is in Hall 2, or its division, please also show the service ducts).
- All connections to the venue mains will be by Cee Form, 32amp supplies and under will be a 32amp connector.
- All mains in Hall 2 will be dropped from the ceiling. Should you require mains from the floor please contact Support Services. Power provided from the floor cannot be accessed once stand is built.
- Prices for the provision of water & waste are available on request.
