ISCB UK
Sequences, Structures, Systems

The International Society for Computational Biology (ISCB) is excited to invite you to the first ever ISCB-UK Conference, taking place 21-22 April 2026 in Cambridge, UK.

The UK has a large diverse bioinformatics and computational community; this meeting will bring this community together to share cutting-edge science, foster collaborations, and build networks.

Talk Prize Sponsorship	£250
Poster Prize Sponsorship	£150

Partner with us to shape the future of Bioinformatics in the UK

By sponsoring ISCB-UK, your organization will gain unmatched visibility and direct access to the United Kingdom's most influential researchers, institutions, and industry leaders in computational biology. This is more than a sponsorship—it's a strategic investment in innovation, talent acquisition, and thought leadership within one of the fastest-growing scientific communities. Join us in shaping the future of bioinformatics.

Secure your sponsorship today and position your brand at the forefront of scientific discovery.
