

RECOMB/ISCB Conference on Regulatory and Systems Genomics with DREAM Challenges

Phoenix, AZ USA
November 6 - 10, 2016

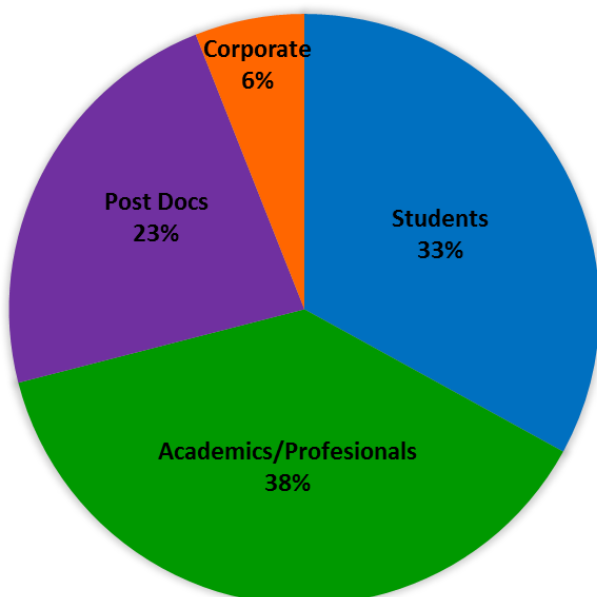

RECOMB/ISCB Conference on Regulatory and Systems Genomics with DREAM Challenges presents the latest findings about regulatory and systems genomics, foster discussion about current research directions, and establishes new collaborations that advance the development of a systems-level understanding of gene regulation.

Research Topics Presented:

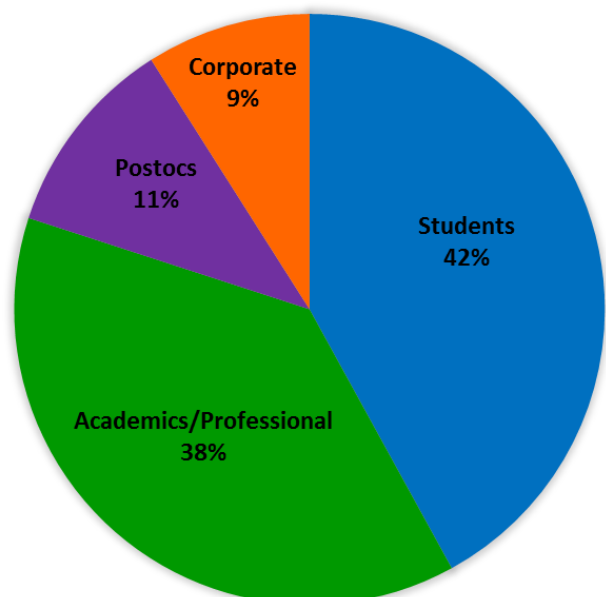

- Network Visualization and Analysis
- Modeling and recognition of regulatory modules and motifs
- Epigenomics, chromatin state
 - Non-coding Chromatin state establishment, maintenance, and role in development
- Regulatory non-coding RNAs
- Co-transcriptional, post-transcriptional, and translational regulation
- Regulatory networks
- Genetic, molecular, and phenotypic variation and human disease
- Cellular signatures of biological responses and disease states
- Methods for Systematic validation of high-throughput biological predictions
- Single-cell biology, proteomics, signaling
- Metabolomics
- Ensemble approaches
- Translational systems biology

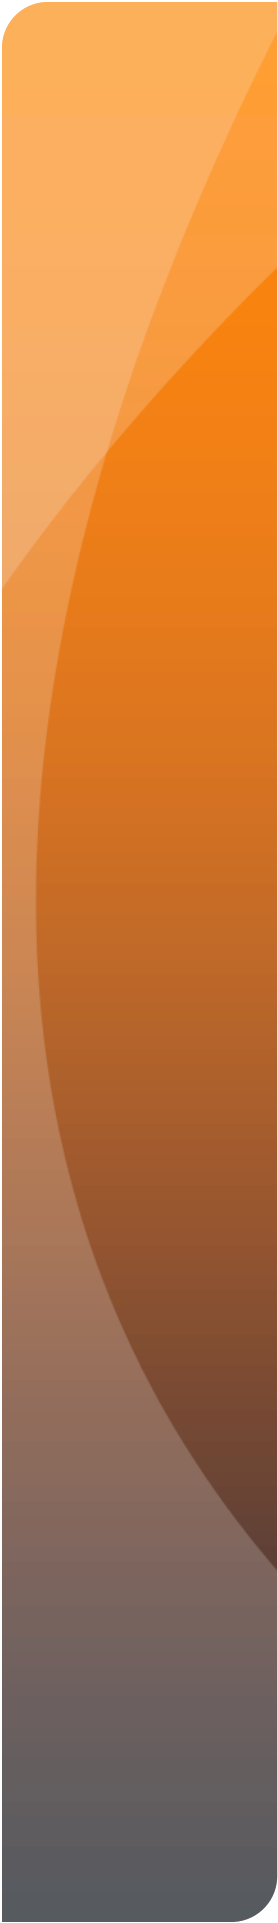

Past Meeting Attendees

2014

2015

The RECOMB/ISCB Conference on Regulatory and Systems Genomics, with DREAM Challenges is one of the premier annual meetings for computational and experimental scientists in the areas of regulatory genomics and systems biology.

The conference combines the following areas:

- Regulatory Genomics
- Systems Biology
- DREAM reverse engineering challenges
- Cytoscape Workshops

Enhanced by the DREAM Challenges and Cytoscape Workshops, sponsors can be assured their support of the conference aids in continued research and dissemination of knowledge in this diverse field.

On average, **70%** of attendees are from the United States and the remaining attendees are from Europe, Canada, Asia, Africa and Australia.

The conference features **keynote presentations, oral presentations, and poster presentations.**

Total attendees expected in 2016: **350**

This year's conference will take place on Sunday, November 6 to Thursday, November 10, 2016 at the Pointe Hilton Squaw Peak (7677 N. 16th Street Phoenix, AZ 85020).

Sponsorship Opportunities

Become a sponsor of the RECOMB/ISCB Conference on Regulatory and Systems Genomics, with DREAM Challenges, and engage with leading computational and experimental scientists in the areas of regulatory genomics and systems biology!

Sponsorship packages are designed to provide maximum exposure. Customized packages are available to fit any marketing budget.

Platinum Sponsor: \$10,000

- Three (3) complimentary conference registrations
- Three (3) sponsor/VIP dinner invitations
- Logo recognition with hyperlink on home page of conference web site
- Logo recognition during conference opening session
- Logo recognition on conference sponsor signage*
- Sponsor recognition with organization logo & 100 word description in conference program
- Full-page black and white advertisement in conference program
- Choice of nine (9) items from the “Add-on” list

Gold Sponsor: \$7,500

- Two (2) complimentary conference registrations
- Two (2) sponsor/VIP dinner invitations
- Logo recognition with hyperlink on sponsors page of conference web site
- Logo recognition during conference opening session
- Logo recognition on conference sponsor signage*
- Sponsor recognition with organization logo & 50 word description in conference program
- Half-page black and white advertisement in conference program
- Choice of seven (7) items from the “Add-on” list

Silver Sponsor: \$5,000

- One (1) complimentary conference registration
- One (1) sponsor/VIP dinner invitation
- Company name recognition with hyperlink on sponsors page of conference web site
- Logo recognition during conference opening session
- Logo recognition on conference sponsor signage*
- Sponsor recognition with organization name and company URL in conference program
- Quarter-page black and white advertisement in conference program
- Choice of five (5) items from the “Add-on” list

Bronze Sponsor: \$3,500

- One (1) complimentary conference registrations
- One (1) sponsor/VIP dinner invitations
- Logo recognition with hyperlink on sponsors page of conference web site
- Logo recognition during conference opening session
- Logo recognition on conference sponsor signage*
- Quarter-page black and white advertisement in conference program
- Choice of three (3) items from the “Add-on” list

Copper Sponsor: \$2,000

- One (1) complimentary conference registration
- One (1) sponsor/VIP dinner invitation
- Company name recognition with hyperlink on sponsors page of conference web site
- Logo recognition during conference opening session
- Logo recognition on conference sponsor signage*
- Sponsor recognition with organization name and company URL in conference program

Additional Add-on items to select from for Platinum, Gold, Silver, Bronze and Copper sponsorships:

- Organization recognized in ISCB Annual Report with logo and link to preferred URL
- One (1) exhibit exhibitor showcase display space
- One (1) 20 minute technology track
- Electronic list of conference delegates pre- and post-event
- Brochure in delegate registration bag
- Discounted registration at 25% off regular registration fee
- Half-page advertisement in ISCB Newsletter (full color, issue of choice, Platinum and Gold Level only)
- Quarter-page advertisement in ISCB Newsletter (Silver and Bronze only, full color, issue of choice)
- Up to 5 job posts on ISCB website
- One complimentary banner ad on website (to run for 90 days)

Reception Sponsor: \$10,000

Gold level benefits package plus additional customized signage at the reception with opportunity to address the delegates

Keynote Sponsor: \$2,500

1. One (1) complimentary conference registration
2. Company name recognition with hyperlink on sponsors page of conference web site
3. Logo recognition during conference opening session
4. Logo recognition on conference sponsor signage*
5. Sponsor recognition with organization name and company URL in conference program

Coffee Break Sponsor: \$2,500

1. One (1) complimentary conference registration
2. Company name recognition with hyperlink on sponsors page of conference web site
3. Logo recognition during conference opening session
4. Logo recognition on conference sponsor signage*
5. Sponsor recognition with organization name and company URL in conference program

Exhibitor Showcase: \$1,500

RECOMB offers organizations an opportunity to showcase products and services as part of the conference exhibitor showcase. A limited number of spaces are available on a first come, first served basis. The exhibitor showcase includes the following:

- Conference Registration for one representative
- Exhibit showcase space, with 6ft table. Please note the showcase is designed for pop-up displays, approximately 8 ft. wide or a tabletop exhibit.

** Logo recognition on conference sponsor signage will be proportionately sized for each sponsorship level, with Gold Sponsor logos being the largest and appearing at the top of the signage.*

Customized Sponsor Opportunity

Please feel free to contact Andy Falter, afalter@iscb.org to discuss a customized sponsor opportunity for your organization. A special package and pricing can be reviewed if the above packages are not quite what your organization is looking for.

To confirm your participation, contact:

Andrew P. Falter
afalter@iscb.org
Exhibit and Sponsor Sales
International Society for Computational Biology
O: 203-797-9559
C: 571-271-5430

or

Belinda Humes Hanson
bhanson@iscb.org
Coordinator, Operations and Programs
Tel: 315-767-5568

Full payment is due within 30 days of receipt of the invoice in order to secure your sponsorship and/or exhibit booth. A full refund less US\$100 administration fee if cancellation received prior to July 31, 2016. 50% refund if cancellation received between August 1, 2016 and September 26, 2016. No refund after September 26, 2016.

Institutions Represented at Past RECOMB/ISCB Conferences on Regulatory and Systems Genomics, with DREAM Challenges

A. I. Virtanen Institute UEF	Eli Lilly & Co.	KULeuven
Aalto University	EMBL-European Bioinformatics Institute	La Jolla Institute for Allergy and Immunology
Academia Sinica	ETH Zurich	Lawrence Berkeley National Laboratories
AIST	Fondazione Bruno Kessler	LMU Muenchen
AstraZeneca	FONDAZIONE TELETHON - TIGEM	Lunenfeld Tanenbaum RI
BASF Plant Science	Freiburg University	Marshfield Clinic
Baylor College of Medicine	Genome Institute of Singapore	Max Planck Institute for Molecular Genetics
Berkeley Lab/JBEI	Georgetown University	Max-Delbrueck-Center
Bioinfo	German Cancer Research Center	Memorial Sloan Kettering Cancer Center
BIOTEC, TU Dresden	Ghent University	Mendel Biotechnology
Boston Children's Hospital	Gladstone Institutes	Merrimack Pharmaceuticals
Boston University	GlaxoSmithKline	Miami University
Brandeis University	GNS Healthcare	Microsoft
Brigham and Women's Hospital	Harvard Medical School	Microsoft Research
Broad Institute	Harvard University	Millennium
Cancer Institute of New Jersey	Heritage Medical Systems	MIT
Carleton University	HHMI, Boston University	Molecular Systems Biology
Carnegie Mellon University	HHMI, The Salk Institute	Monsanto Company
Case Western Reserve University	Hospital for Sick Children	Mount Sinai Hospital
Centre For Addiction And Mental Health	IBISC - LRI	Mount Sinai - Icahn Institute
Centre for Genomic Regulation (CRG)	IBM	Mount Sinai School Of Medicine
Charite University Hospital	IBM Research	National Brain Tumor Society
Children's Hospital Medical Center	IIT	National Cancer Institute
Chinese University of Hong Kong	Indiana University	National Institutes Of Health
